Fall in the demand for raw jute goods

1011. SHRl GURUDAS DAS GUPTA; Will the Minister of TEXTILES be pleased to state:

Ca) whether it is a fact that of late there has been a fall in the demand for raw jute goods in and outside the country; and 2012 RS—7

Ob) if so, what are th$_e$ reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES (SHRI KHURSHID ALAM KHAN): (a) and (b) India's exports of jute goods have been coming down over the years mainly due to stiff competition from synthetic substitutes and another producing country, although, of late, the declining trend has been arrested. In so far as domestic demand for jute goods is concerned, it has increased over the years due to growing production in agriculture and industrial sectors notably of foodgrains, sugar, cement^ fertilisers etc.

WRITTEN ANSWERS TO STARRED AND UNSTARRED. QUESTIONS SET FOR THE 3RD MARCH, 1986

Newsprint prices

*101. SHRI KAILASH PATI MISHRA: SHRI LAL K. ADVANI:

Will the Minister of INDUSTRY be pleased to state:

(a) the number of times newsprint prices have been raised during the the 6th Five Year Plan period and thereafter and when and by how much and what are the reasons therefor;

The sitting of the Rajya Sabha on Monday, the 3rd March, 1986 was adjourned as a mark of respect to late MR. OLOF PALME the Prime Minister of Sweden. Answers to Questions put down in the list for that day were laid on the Table of the House on Tuesday, the 4th March, 1986.

(b) Whether it is a gact that some new newsprint manufacturers are not making newsprint but are manufacturers white printing paper;

(c) if so, what are the reasons thereof;

(d) whether small paper mills have offered to manufacture newsprint at comparable prices; and

(e) if so, whether this offer has been accepted by Government?

THE MINISTER OF INDUSTRY (SHRI NARAYAN DUTT TIWARI): (a) A statement indicating the price of domestic newprint from time to time is laid on the Table of the House (see below). The price increase has taken place chiefly due to rise in the cost of (1) raw materials, (2) chemicals, (3) power and (4) labour and other over-heads.

(b) and (c) No existing newsprint manufacturer is, according to the information available, currently using his licensed newsprint production capacity for production of other items. However, two of the existing newsprint manufacturers, namely, M/s. Mysore Paper Mills and Tamilnadu Newsprint and Papers Ltd. besides their newsprint capacity, are also licensed for manufacture of other varieties of paper.

(d) and (e) All India Small Paper Mills Association has* made such an offer but subject to adequate support price, uninterrupted flow of inputs, provision of sufficient funds and guaranteed offtake of production. No industrial licence is required for investment upto Rs. 5 crores and any request for a larger project will be considered on merit.
